THE HOTEL

10 km from bustling St. Moritz, in an unspoiled alpine village, a grand hotel with character and warmth, family owned and managed for five generations. An architectural landmark with a proud history, five-star ranking, 140 rooms, 230 beds and a staff of 150, this the very idea of a grand hotel. The Waldhaus is grand, but also playful and relaxed!

WEDDING ROOM

Our wedding room is the perfect place for celebrations with 90 to 120 people. The 160m² room makes it easy to arrange square, rectangular or round tables and chairs in a variety of formations. A dance floor, a mobile bar and audiovisual installations can also be incorporated.

SUNNY CORNER

The Sunny Corner is flooded with light. Its columns and an arch add to the very pleasant atmosphere. With its 90m² the room suits for a variety of events, such as seminars, lectures, concerts and readings. It also is an attractive venue for a celebration with lunch or dinner.

BAR

Where past and present both harmonize and vie with each other: what applies throughout the hotel is particularly true of this room, in which the contemporary architects, Miller and Maranta, have superbly complemented the craftsmanship of the Belle Epoque. A Steinway grand from more than a century ago, our resident trio playing dance music and the latest cocktails on offer from our modern bar.

ARVENSTUBE

The Arvenstube has room for 40 people at long tables and for 36 people at round tables. The cozy atmosphere and the distinctive scent of stone pine will turn your party into an unforgettable experience!
